

## DESCRIPTION

Clean Brake is a non-chlorinated, low odor, professional-strength brake and parts cleaner designed for automotive, fleet, and industrial maintenance environments. Its fast-evaporating solvent system aggressively cuts through brake fluid, grease, oil, and road contaminants while helping leave metal components clean and residue free.

## DIRECTIONS

Spray directly onto parts and surfaces to remove grease, oil, brake fluid, brake pad dust, and contaminants. Allow product to evaporate or wipe clean with a dry cloth. Repeat as necessary for heavy buildup. Use only in well-ventilated areas.
